

Dear Invested Community Member,

My name is Sofia Bruns, I'm from the Woodland FFA chapter. This year I am an incoming Senior at Woodland High School and this is my fourth year raising a market lamb.

To know a little about me is to know that I am my school's National Honors Society President, Interact Club Vice President, California 2024 Girls State representative, and I have served on the Woodland FFA Officer team 2022-2024 as well as served an integral role on the Woodland High Link Crew. As you can tell I am an involved individual and I am currently preparing for my most important senior year. Along with these diverse extra-curriculars, I have a serious goal towards the end of the school year to graduate and move on to a serious collegiate course of study.

I would be honored to have your support at the 2024 Yolo County Livestock Auction. The market lamb show begins at 9:00am on Thursday, August 15th. The auction will take place at 9:00 am Saturday, August 17th. I appreciate your time as well as your help in the community and ultimately hope you will consider my lamb.

Sincerely,
Sofia Bruns
Woodland FFA
