Name of Organization _____

Contact person _____ Date _____

Address _____

Telephone _____ e-mail address _____

Past successful Rotary community projects have had all, or most of the following characteristics: long term benefit to the Woodland community, one time funding, and on-site recognition that Rotary was a sponsor.

Describe your project:

When will the project be started and completed?

What are the long-term benefits of this project to the Woodland community?

If applicable, how will your organization's members participate in establishing and maintaining this project?

How will this project involve the Rotary Club of Woodland and what type of sponsor recognition will be included?

What will it cost and will the Club be providing all of the funding for the project?

(Use additional page if needed)
