Woodland Rotary Club - Noon

Subject: WHS Scoreboard Grant / Completed

This is to advise that this project is completed. To summarize:

- 12/19/2019 We were contacted by then Mayor Richard Lansburgh to assist in the renovation project at the High School. We focused on helping to replace a 30-year-old aging scoreboard.
- 05/06/2020 we submitted a grant application for funding consideration.
- 07/25/2020 we received an award of \$9,300.00 from the District to help in funding this project.
- 08/02/2020 we received the grant check and deposited it. After two very successful fund-raising efforts on our part (February 20, 2020 and 2021), we raised enough money to complete our part of the contribution towards this project.
- 04/02/2021 we ordered the new sign.
- 4/29/2021 the new sign is in place and undergoing a thorough function check.
- Grand opening celebration has yet to be determined. We are coordinating this with the School District

This purpose of this memo is to now begin the close out process of this grant. Attached please find a copy of the check we sent to the vendor for payment. We now believe that we have completed this project and that all of our obligations toward this grant award have now been satisfied.

Sincerely,

Daniel J Stroski
