Your commitments last spring for the \$1,665 local match on the project (see below) enabled us to be successful in getting a \$3,335 district grant for the balance, on behalf of the 9 clubs. This will provide 28 +/- benches for use at the fairgrounds, augmenting what they have to support major events there. Congrats to all for the full, 9 club collaboration on the project; another countywide Rotary opportunity to share fun and fellowship.

The funding commitment is as follows:

- \$100 ✓ Davis Sunrise *Received*
- \$200 ✓ Davis (noon) *Judy Wolf*
- \$150 ✓ Davis Sunset *Randy Alston - coming*
- \$190 ✓ Mighty West Sacramento *noon - coming*
- \$150 ✓ West Sacramento Centennial *Heine Ken Raitger*
- \$200 ✓ Winters *Paul Fawcett - John Magelis send email - coming*
- \$100 ✓ Woodland Sunrise *Paul Galeazzi / Lynn Clark (papabynn@pacbell.net)*
- \$375 ✓ Woodland (noon) *50*
- \$200 ✓ Woodland Luna Vista *See Mike - Pam Kasebastian*
- \$1,665 / Local Match total

As soon as the money is in the bank, we can complete the material orders and get to work .

Please let me know if you have any questions, or just send a check for your Club's contribution, made out to "Bench Grant Project", to

Rotary Club of Woodland  
 PO Box 31  
 Woodland, CA 95776-0031

Dean Labadie will be contacting the clubs/Beer Booth committee members in the near future for work day scheduling, to put wood sealer on the slats, route in "Rotary" on a back slat, and assemble the benches. The work will be at the fairgrounds and should go quickly.

Attached is a picture of the bench, which matches alot of what the Fair is using now and is their favored design.

From Gary to Dean 13 June reply

Dean, I got your message on West Sacramento; that is great. And is that \$190 for the benches, or another amount? Ken wasn't explicit. And do I add them in paragraph 6.2 as assisting in the work day? Also got the West Sac Centennial \$150, and Woodland Sunrise \$100, both helping on the workday.
