

## Rotary Youth Programs in Woodland

# Rotary

Rotary is an international service organization that does amazing things around the world. One focus area is on youth, with the following programs available locally. They provide our clubs the opportunity to build closer ties with students at our local high schools and are a tangible demonstration of Rotary's commitment to youth.

**Camp Venture** (Open to students going into their senior year the following fall; three slots available.) Camp Venture is a five day training and motivational camp for students who have finished their junior year and are interested in pursuing a career in business, particularly as entrepreneurs. It is held in late June at the Maritime Academy California State University in Vallejo. Students, sponsored by their local Rotary Clubs, have the opportunity

to interact with experienced business people and meet with other northern California students who have similar interests.

Application packet

**Camp Royal** (Open to students the summer before their senior year; two to three slots available.) Camp Royal is the Rotary Youth Leadership Award (RYLA) Conference organized each June in the mountains of northern California. This is a premier leadership training opportunity provided to worthy young people by our Rotary Clubs, as part of Rotary's Youth Programs mission. More info: <http://www.camproyal.org/>

Application packet

**Rotary Youth Exchange.** These are usually for a 10 month period, where a student lives with a host family in a foreign country and is required to attend school there. There are "outgoing" and "incoming" programs. See <http://yex.rotary5160.net/> or contacts below for more information.

## Interact

*Rotary Sponsored Club*

**Rotary Interact Club** This is open to youth from 12-18 who want to connect with others in their school. Interact club members have fun while carrying out service projects and learning about the world. Interact clubs organize at least two service projects a year: one that benefits their community and one that encourages international understanding. While Interact clubs receive guidance from individual Rotary clubs, they govern and support themselves. Pioneer High started an Interact Club in the fall 2016, supported by Luna Vista and Sunrise Rotary; Woodland Rotary is seeking to start one at Woodland High. Click here for more info:

<http://www.woodlandrotary.org/interact.cfm>

## Rotaract

*Rotary Club Partner*

**Rotaract** This is a service club for young men and women ages 18 to 30 who are dedicated to community and international service. They are self governing and self supporting and can be either college or community based. There is a UC Davis Rotaract Club: [www.crcdavis.org](http://www.crcdavis.org) and there has been discussion

about starting one at Woodland Community College.

**Contacts:** The 3 Woodland Rotary Clubs all support youth programs. Here are Woodland Noon Rotary contacts.
