President's Message:

I would like to start by saying thank you to everyone in attendance tonight and thank you to all of the Rotarians who have donated their time, talent and treasure to put tonight's event together. I hope that you thoroughly enjoy this evening's Tailgate Party while allowing Rotary to achieve its goal of helping our community.

The Rotary Club of Woodland has been serving our community for almost 100 years. Since being chartered in 1926, Rotary has completed numerous projects; they cannot all be listed in the space provided. I would like to highlight a few of the prior ones: the Cheetah Monitors provided to Woodland Memorial Hospital, the new and refurbished musical instruments for the Woodland schools' band programs, and the electronic marquee at Woodland Community College. At last year's auction, we provided ten custom-built bicycles for special needs individuals, funded a generator for F.I.R.E. to complete their shower trailer used at disaster evacuation sites, and assisted the Woodland United Way in launching the Imagination Library, which provides a book a month for five years to children born in Yolo County.

This year, with your help, we will assist in the rebuilding of a portion of our community stadium. In 1971, Woodland volunteers joined together to build the Woodland Community Stadium. When it was constructed, it was considered to be state-of-the-art. In 1973, the stadium hosted the California State High School Track and Field competition. Five California State records were set that day on the heralded fast track.

Almost five decades after the construction of the original stadium was completed, our community is ready to rebuild a new one. The Rotary Club of Woodland is proud to be part of this major reconstruction project. We have committed to fund the replacement of the score board.

Woodland High School will be the major beneficiary of tonight's fundraiser. Additionally, funds raised will be used to support a variety of worthy community projects.

Thank you all for your support in furthering Rotary's commitment to improving our community.

Sincerely,

A handwritten signature in cursive script that reads "Anthony Delevati".

Anthony Delevati, President, 2019-2020

DINNER / AUCTION

Welcome to the 2020 Woodland Rotary Endowment Dinner/Auction. This is our largest fund-raising event of the year. Net proceeds go to benefit our community and the world. In addition to the Scoreboard project, the Endowment continues to provide four-year scholarships to the top graduates from Woodland and Pioneer Schools. During the year, other community and world needs are identified and funds are provided for them as well.

FB-2023

Football/Track Scoreboard

Proceeds from this year's auction will go to benefit Woodland High School. The high school opened in 1972. They are in the process of rebuilding their football stadium that was deemed unsafe given its age and condition. The new \$8.2M stadium will be state-of-the-art, larger, and have new bathrooms and a new snack shack. In January of 2020, the Rotary Club of Woodland, Noon, agreed to help in the acquisition of and placement of a new scoreboard at this new stadium. We feel this project is very worthwhile and will give the students and community something to be proud of for decades to come.

This evening's funds will be raised through a series of activities:

SILENT AUCTION

Silent auction items are distinguished by the written bid sheets in front of each item. Be sure to check often to make sure you aren't "outbid."

- To participate, print your first and last name (print legibly!) and your bid amount on the bid sheet for the item you select (\$5 minimum increase on each new bid, please). Bid on as many items as you desire.
- Some items have a minimum bid posted. At the auction's conclusion, if the highest bid for the item is less than the minimum bid, the item will be returned to the donor.
- The bidding period closes promptly at 7:30 pm.
- The high bidders will be announced during dinner, and winners are asked to go to the cashier, pay and collect their item(s). Payment by check, cash or credit card is accepted. Checks should be made out to: Woodland Rotary Endowment.
- Please pay for silent auction items before the oral auction begins.
- All purchases are final; no returns, exchanges or warranties will be/are made by Woodland Rotary or item donor.

The successful bidder can select the print size, up to 24 inches by 36 inches. The print will have a matte finish, be permanently mounted and laminated on a hard-plastic backing board, and ready to hang. You may view these photos online at: <http://danholmesphoto.com/Danholmesphoto.com/StoriesInLight> to make your selection.

Estimated fair market value is \$425

Your play will wind you and your guests in and around beautiful majestic oak trees and scenic lakes. Water hazards are noted on the sixth and eighteenth holes. You will enjoy lunch at the club house on David's tab. Your meal will exclude alcoholic beverages and must be enjoyed by February 29, 2021. This prize is subject to some play date restrictions.

4. Donated by Ken Nordgren and Diana Harvey

For the more discerning gourmet, this prize includes a five-course gourmet dinner for four people which will be served at YOUR home or theirs. This item has been a popular auction item for years, but sadly this will be the last year it's offered. Ken and Diana are moving next year. So, for those that have enjoyed this in the past, you can appreciate the meal, its quality, and value. This dinner includes two appetizers, salad, main course, and a wonderful dessert. This meal could include (as an example) baked brie, a warm spinach salad, bacon-wrapped fillet,

tasty veggies, and a crème brulee. This annual event has received no complaints thus far. Can you pass this up?

Estimated fair market value is \$800

5. Donated by Craig Miyamoto

FORE! Enjoy a round of golf for three players at the newly renovated Del Paso Country Club in Sacramento. This golf course was home to the 2015 U.S. Senior Open. The upgrades to this course, if you haven't seen them, are worth seeing! You will be joined by Craig Miyamoto for lunch, golf (including cart and range balls), and refreshments afterward to replay (or lie) about your good holes.

Estimated fair market value is \$700

6. Donated by Peterson Family Vineyard & Shawn Seyk

A bottle of 2016 Napa Valley Cabernet Sauvignon from the Peterson Family Vineyard in Calistoga, rated 96 points. Winemaker Bob Foley notes, "Intense dark fruit aromas of black cherry and black currant indicate the ripeness and purity of this beautiful Cabernet. The structural framework is sturdy, while tannin grips very gently, carrying the fruit flavors with a trace of vanilla into a long, graceful finish." From wine critic Jeb Dunnuck: "The 100% varietal 2016 Cabernet Sauvignon comes from a site in Calistoga and was raised in 50% new French oak. It offers impressive amounts of cassis and blueberry fruits intermixed with lots of sappy herbs, incense, and California bay leaf-like nuances. Full-bodied, rockingly concentrated and powerful, yet still elegant and seamless. It's a seriously good Napa Cabernet that might just be one of the best at the under 100-dollar price point."

In English, it means this a good bottle of wine!

But wait!! On top of this magnificent bottle of Cabernet: A bottle of a 2016 Napa Valley Merlot from the same vineyard. Enticing red fruit bowl aromas of raspberry, red cherry, and cassis are graced with just a hint of savory spice. The flavors flood the palate with a rich mouthful of deliciousness that brings on espresso-like nuances. This structure and balance resolve in a mouth-coating finish that seems to go on forever. Rated 94 points.

Estimated fair market value is \$225
