

**2021 ANNUAL DINNER & AUCTION!**

**WHS • VIRTUAL • WHS**

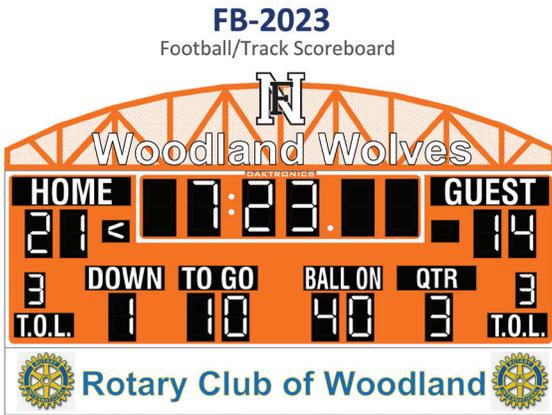

**Fundraiser for WHS Scoreboard**

# DINNER/AUCTION

**FEBRUARY 20, 2021 • 7:00 PM**

Proceeds from this year’s auction will go to benefit Woodland High School. The high school opened in 1972. They are in the process of rebuilding their football stadium that was deemed unsafe given its age and condition. The new \$8.2M stadium will be state-of-the-art, larger, and have new bathrooms and a new snack shack. In January of 2020, the Rotary Club of Woodland, Noon, agreed to help in the acquisition and placement of a new scoreboard at this new stadium. We feel this project is very worthwhile and will give the students and community something to be proud of for decades to come. Last year’s auction proceeds paid for half of the scoreboard and we will complete our pledge tonight. This evening’s funds will be raised through the Live Auction, our Sponsors and the Winner’s Choice Vacation Raffle.

*Rotary’s  
First Virtual  
Dinner  
& Auction!*

## President's Message:

I would like to open by saying *thank you* to everyone in attendance tonight. I also want to thank our President-Elect Dan Stroski and his incredible team of Rotary volunteers who have worked tirelessly to put this event together during these unusual times that we have all been living with for nearly a year now. Because of the pandemic, we are forced to have our annual dinner/auction fundraiser in a virtual format. It has made for a challenge to put together, but we are optimistic and hopeful that you will all enjoy this evening's event and theme of "Be True to your School."

Proceeds from tonight's event will go toward the new/renovated Woodland Community Stadium at Woodland High School. Specifically, proceeds will go into a new electronic scoreboard for the stadium. This has been a two-year project of fundraising, but we feel it a worthy cause and could not be prouder to be a small piece of this project. When completed, it will provide a source of a lot of pride for the Woodland community.

The Rotary Club of Woodland has been serving the Woodland Community and surrounding areas since 1926. Rotary has completed a number of projects around the Woodland Community during this time—too many to list here. Rotary also serves the international community as well; currently the Rotary Club of Woodland is working on a water, sanitation and hygiene project for a school in Karen, Kenya. This project is in conjunction with a local Kenya Rotary Club and is going to make a huge difference in these kids' lives and education experience once completed in the coming months.

Finally, I want to *thank* our sponsors, along with all those individuals and businesses who have offered items in tonight's live auction. Without their support this event/fundraiser would not be possible.

Yours in Rotary,

Tabb G. Randolph, President, 2020-2021  
Rotary Club of Woodland
