President's Message:

Dear Guests,

I want to welcome you all to Woodland Rotary Club's annual charity auction. Tonight's event represents more than just a means to raise money for charity. Tonight also represents our community's attempt to return to normalcy. Last year this event was held virtually in order to avoid the spread of the COVID 19 infection. So, it's been over two years since we last gathered in this fashion.

In the past, the proceeds from this event have gone to fund projects such as the Woodland Community College sign, the Woodland High School Football Stadium scoreboard, and the new flag pole at City Hall, to name a few. This year's proceeds will be donated to Woodland Girls Fastpitch Softball (WGFS), whose fields will be located at the Woodland Senior Center. There, a new scoreboard will be purchased and erected along with a previously purchased, but never installed, scoreboard. Our hope is that these scoreboards will give our youth and their families years of enjoyment.

I want to thank President-Elect Shawn Seyk and his team of volunteers for the hundreds of hours of prep time and organization it took to present this evening for you. I ask only that you sit back and enjoy the auction and give where you can to help us make this event a success.

Sincerely,

Dan Stroski
President 2021-2022

DINNER / AUCTION

Each year, the Woodland Rotary Club selects a worthy organization, project, or community need.

This year, we will be raising money for the Woodland Girls Fastpitch Softball organization. They are building two ball fields at the Woodland Sports Park, and the money we raise tonight will go towards one of the scoreboards at this facility. The boys already have their fields—now it is the girls’ turn. The estimated cost of each scoreboard is \$40,000.

Each year, Woodland Girls Fastpitch Softball Association (WGFS) has approximately 200 girls participate in its spring recreational fastpitch softball program, and about 60 to 80 girls play in the fall. WGFS is excited to be able to share their mission of instructing and teaching an organized softball program for girls, ages 4½ to 17, in the belief that participation in such activities contributes to total fitness, enjoyable use of leisure time, and the development of positive physical, mental, and social qualities.

Currently, these young girls play on a leased field at Douglas Middle School. This facility is not a regulation size field, there is no access for handicapped guests or handicapped parking, there are only portable restrooms for the girls and their parents/guests, the snack bar is without running water or a sewer connection, and guest parking is limited to street parking only.

WGFS MEMBERS ASSISTING

Members of the Woodland Girls Fastpitch Softball organization are assisting with tonight’s Silent Auction and Winner’s Choice ticket sales, as well as providing dinner service assistance.

Say hello to the ball players when you see one.

SILENT AUCTION

Silent auction items are distinguished by the written bid sheets in front of each item. Be sure to check often to make sure you aren’t “outbid.”

- The high bidders will be announced during dinner, and winners are asked to go to the cashier and pay for and collect their item(s). Payment by check, cash, or credit card is accepted. Checks should be made out to: Woodland Rotary Endowment.
- Please pay for silent auction items before the oral auction begins.
- All purchases are final; no returns, exchanges or warranties will be/are made by Woodland Rotary or item donor.
