### *From the President...*

**“What is Rotary?”** This is a question that many Rotarians have received for nearly 100 years in Woodland, California. When I am asked this question, I usually talk about “service to our local community”—listing the many projects around town that proudly display the symbol you see above. I talk about Meals On Wheels, our Annual Senior BBQ, and “passing the hat to help a young boy hear.” I let them know that each Tuesday we Rotarians have lunch together, and it’s always accompanied with a laugh or two. We have Christmas parties, a “Mystery Golf” outing, and bus trips to watch the San Francisco Giants. Each year, our Club awards a \$6000 scholarship to each of the valedictorians at Woodland and Pioneer High Schools. These are just some of the things that Rotary does to help make our community better. Rotary also has an impact on the global community as well. There are over 46,000 Rotary Clubs in over 200 countries, with a stated mission “to provide service to others, promote integrity, and advance world understanding, goodwill, and peace through fellowship...” Our local Rotarians have helped international causes, such as Polio Plus (to eradicate polio) and a WASH (water, sanitation and hygiene) project that built storage tanks and hand-washing basins at a school in Karen, Kenya. Rotary has had a lasting, positive impact on so many lives, near and far.

Tonight, our theme is “The Community Chest.” Traditionally, our annual fundraiser has selected a single recipient of the event’s proceeds. This year, however, under the guidance of President-Elect Karl Diekman, our club chose to benefit the multiple local groups listed in this program. Each of these groups are highly deserving and we believe, through your generous giving, we can truly help better the lives of those around us. Tabb Randolph and his team of dedicated volunteers have put together a fantastic night with dinner provided by Anderson Family Catering and a Dessert Auction! There is also a Winner’s Choice Raffle—one of three trip options—valued up to \$6000, with only 200 total tickets. Tonight’s event has several sponsors and donors to which we say *Thank You!* Your support is genuinely appreciated.

Finally, tonight we will be honoring the Rotarians our club lost over the past year. These members all had a profound impact on our club. Their families are our guests of honor and we are grateful for the service their loved ones provided to this community.

With Warm Regards,

*Shawn Seyk*  
*President, 2022-2023*

### 8. Donated by Blair & Jan Voelz

Four Seasons Farm Tour: Come and see our farm where we grow olives for oil, grapes for wine, and rice for all kinds of things. Learn about the crops and the farm history that started back in the 1870s—we are the sixth-generation owners and still farm the same dirt! Bring a picnic lunch, bring your dogs, cameras, walking shoes, and sun hats to experience the wide-open spaces with the Sutter Buttes off in the distance. Visit in the spring when we plant, in the summer when things are growing, in the fall when we harvest, and in the winter when the waterfowl are flying. This tour can be enjoyed for up to ten friends and family. The tour should take two to three hours or all day if you want to walk a bit or just nap in the shade. Our farm is located in Colusa and Yolo Counties, a 30-minute drive north from Woodland, off I-5 north of Dunnigan on County Line Road. Guaranteed to be enjoyed by all ages; and who knows, you just might get hooked on the farm life!

*Fair Market Value: \$600*

### 9. Donated by Eric Sharp

Where you should go will depend on the time of the year, but you are sure to find some open water trolling for trout, kokanee, striped bass or drifting minnows, in the Bay for halibut or Sacramento River Delta for stripers. If trout or kokanee is your flavor, you could also cover Lake Berryessa or Lake Comanche. No matter where you go, it will be about 1½ hours from Woodland to the water, and then all day is yours. Lunch, snacks, refreshments, bait and tackle provided. No guarantee of catching—that's why it is called fishing! But if you get skunked, free pass on next trip. Kids are welcome.
