Presidential Recognition for Excellence

In Memory of C. Don Huff, Jr.

June 9, 1926 – August 4, 2024

Rotarian. Storyteller. Servant. Leader.

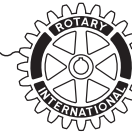

Born the year our Club was chartered, Don Huff, Jr. was Rotary royalty—president in 1980-81, son of a president, and father to one, too.

Don Huff, Jr. embodied the spirit of service above self. A past president, Paul Harris Fellow, and storyteller with a heart as deep as Lake Tahoe—Don made time for others and left a lasting imprint on our Club and community.

His legacy is rooted in Rotary service, community spirit, and family tradition. We honor his remarkable life, his joyful presence, and the generations of impact he leaves behind.

President's Welcome

On behalf of the Rotary Club of Woodland, welcome to our annual dinner/auction fundraiser! We greatly appreciate your attendance. The Rotary Club of Woodland is the original Rotary Club in Woodland and was chartered 99 years ago this month (April 29, 1926). Our fundamental mission in all years of our existence, and continuing into the future, is to improve the quality of life in Woodland for all Woodland residents. To accomplish our mission, we are dependent upon the hard work of our members and the support of people like you.

Rotary is also an international organization, and our members support the mission of Rotary International to improve the quality of life for all humans.

This year, the proceeds from tonight's dinner/auction will benefit Yolo Farm to Fork in its sponsorship of two edible gardens—one at Beamer Elementary School and one at Gibson Elementary School—and the Woodland Healthcare Foundation in its efforts to acquire a new state-of-the-art surgical tool. The details of these projects are discussed later in the program.

Our Club supports a variety of projects every year besides those benefited by our annual fundraiser—we provide a free lunch for seniors at the Yolo County Fairgrounds each fall, and Woodland and Yolo County youth continue to be a priority of our club. This year, we supported literacy for kindergarten and first graders at Gibson Elementary School by providing a free book, authored by local news broadcaster Leticia Ordaz of KCRA, for each student. We also supported Leticia's entertaining and educational student assembly at which the books were distributed. And, we continue to provide scholarships for the graduating valedictorians of Woodland and Pioneer High Schools each year.

We work closely with the two other Rotary Clubs in Woodland. All three clubs sponsored a one-day seminar on homelessness at Woodland Community College, and all three clubs, along with the Davis Rotary Clubs and many others, provided the funds for the construction of the viewing pavilion at the new Woodland Regional Park Preserve.

We hope you enjoy tonight and find many items to bid on. Don't forget to buy a ticket for our Winner's Choice Raffle—the choice of one of three trips valued at \$6,000. We want to acknowledge and thank our host, Velocity Island Park, and our local Interact Club from Woodland High School for their assistance. Thank you one and all.

Robert Nakken
2024-2025 President

DINNER / AUCTION

The Woodland Rotary Club/Woodland Rotary Endowment are raising funds this year to assist the efforts of the following local, nonprofit organizations:

Yolo Farm to Fork (<https://www.yolofarmtofork.org/>)

Up to \$11,000 for the construction of two large instructional gazebos for the outdoor edible gardens at Beamer and Gibson Elementary schools. Currently, the gardens are not shaded and have no seating. The structures will provide outdoor classrooms (shaded with seating) for teachers, staff, volunteers, and students. Students can engage in garden-based education for years to come. Construction is planned to be completed by August 2025. This is the first priority for the proceeds from tonight's dinner and auction.

Woodland Healthcare Foundation

(<https://www.supportwoodlandhealthcare.org/>)

The dinner/auction proceeds will be used to complete the purchase of a state-of-the-art surgical tool to assist in orthopedic surgeries. The equipment is radio-graphic camera technology (x-ray machine) called the C-Arm (due to its shape) and is used in spinal, hip, knee, and other orthopedic surgeries. Woodland Healthcare already has four C-Arms, but with the current demand for use, all are often in operation, creating 30-minute or longer delays in some surgeries. The new machine will have updated technology, including the ability to capture precise measurements and a map for surgeons to use. The new machine captures 3-D images, allowing surgeons to view a multiplane image and allowing for precise confirmation and analysis of structures not currently available with the existing machines. The total cost of this C-Arm is \$399,467, and the Foundation has assembled all but the requested amount, \$38,387.

Amounts awarded will depend on proceeds from this Dinner & Auction.

ROTARY INTERACT CLUB MEMBERS

Members of the Rotary Interact Club from Woodland High School are assisting with tonight's Winner's Choice Raffle and the 50/50 Raffle ticket sales, as well as providing dinner service assistance. You can thank them with a donation in the tip envelopes on each table. All donations will go to the Interact Club.

SILENT AUCTION

Silent auction items are distinguished by the written bid sheets in front of each item. Be sure to check often to make sure you aren't "outbid."

- To participate, print your first and last name (print legibly!) and your bid amount on the bid sheet for the item you select (\$5 minimum increase on each new bid, please). Bid on as many items as you desire.

- The bidding period closes promptly at 7:30 pm.
- The high bidders will be announced during dinner, and winners are asked to go to the cashier and pay for and collect their item(s). Payment by check, cash, or credit card is accepted.

Checks should be made out to: Woodland Rotary Endowment.

- Please pay for silent auction items before the live auction begins.
- All purchases are final; no returns, exchanges or warranties will be/are made by Woodland Rotary or item donor.
