Re: Rotary Club of Woodland Annual Dinner/Auction;

Dear Community Supporter:

The Rotary Club of Woodland is excited to announce our Annual Dinner and Fundraising Auction on **Saturday, April 26, 2025!** This cherished event brings our community together to make a meaningful impact, and this year's proceeds will support two incredible causes:

- **Yolo Farm to Fork** – Building gazebos in local grammar school gardens to create enriching outdoor learning experiences.
- **Woodland Healthcare Foundation** – Purchasing a state-of-the-art imaging machine to enhance orthopedic surgeries and improve patient care.

For **99 years**, the Rotary Club of Woodland has proudly served our community. From providing scholarships to high school students and installing playground equipment to supporting hospitals and enhancing local landmarks like the **Yolo Food Bank, Woodland Opera House, and Woodland parks**, our dedication to Woodland is unwavering.

But our reach extends beyond our city. In partnership with **Rotary International**, we have contributed to global initiatives, including the fight to eradicate polio with the **World Health Organization**. Together, we're making a difference locally and worldwide.

We need your help to continue this legacy of giving!

We kindly invite you to donate a product or service for our silent auction. Your generous contribution will be featured in our auction program, showcasing your support for our community. Plus, your donation is tax-deductible (Tax ID #68-0270150).

Ready to make a difference?

Please contact [**Contact Name and Information**] to arrange your donation.

Join us in supporting our youth, enhancing education, and improving healthcare in Woodland. Thank you for considering this opportunity to give back and be a part of something truly impactful.

With heartfelt gratitude,

**The Silent Auction Committee
Rotary Club of Woodland**
